

PAHRC Sponsorship Opportunities

Help Us Change Lives

Thank you for considering a sponsorship of the Public and Affordable Housing Research Corporation (PAHRC). By supporting PAHRC, you help provide policy makers, practitioners, affordable housing developers, and advocates with the research and tools they need to make data-driven decisions about how to preserve affordable housing; support policies and decisions that help America's most vulnerable families climb the ladder of economic opportunity, and advocate for additional resources to address America's rental affordability crisis. By helping to place these critical tools in the hands of housing leaders, your support can improve the lives of thousands of people nationwide.

About PAHRC

PAHRC is a nonprofit research center dedicated to promoting the national conversation about the importance of affordable housing. Through independent, original research, PAHRC spotlights the impact, outcomes, and value affordable housing brings to the families it serves and the communities it supports. PAHRC delivers data and tools that help researchers, practitioners, and advocates build an evidence-based case for why affordable housing matters.
